Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Thursday 28 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mild, and dry for many but rain over the hills.

This Evening and Tonight:
Cloudy and mild with further rain across western and northern areas, especially the higher ground of Derbyshire, with some torrential downpours. Rain probably edging slowly eastwards to affect much of the region by dawn. Remaining quite windy, especially near coasts. Minimum temperature 12 deg C (54 deg F).

Friday:
Cloudy with spells of increasingly showery rain through the morning, slowly becoming drier and probably brighter from the west during the afternoon with most parts dry and clear by evening. Maximum temperature 16 deg C (61 deg F).

Outlook for Saturday to Monday:
Changeable and windy at times. Further rain or showers, occasionally heavy, especially on Sunday. Saturday night will be mainly dry. Gales likely on Monday. and turning colder.
